

Southwest Hope & Healing Bereavement Retreat

Retreat Family Eligibility, Guidelines & Information

- The 2020 Retreat will be held August 7-9, 2020 at Tanque Verde Ranch in Tucson, Arizona. The weekend accommodations and activities will be provided at no cost to you or your family.
- The Southwest Hope and Healing Bereavement Retreat is for newly bereaved families who have lost a child (21 years and younger) to pediatric cancer to support one another.
- Space is limited and contingent on availability. Priority is given to eligible families who have not attended the retreat before. We also accept families who have previously attended a retreat in the past, only as space permits. Apply early for best availability. Families will be placed on our wait list if the retreat is full.
- The retreat is limited to parents and surviving children living at home.
- Your acceptance of this invitation indicates your full participation in all planned activities, see sample schedule attached.
- Retreat expenses are gifted to each family by our non-profit partners. Please let us know if you need to cancel prior to June 1, 2020. This will allow us to give another family an opportunity to participate by this date and provide an accurate guarantee to the resort without incurring penalties.
- Families will be notified once your application has been accepted. We will also arrange to have a pre-retreat interview phone call with each retreat family in May.
